<p>Players Profile: -Yakubu is endowed with prodigious physical ability, being tall and sharp, and possessing a high technical quality. - His capacity to exchange positions (midfield and defense) and as a defender provides solidity, reliability, order and, above all, a sense of calm and control of every situation. In addition, he is a central defender who handles the ball well. - He reads the game well and executes satisfactorily the work of building play. He is trustworthy raising the ball, and combining in short passes - He is not solely a marker, but more than that; he does well at anticipating and cutting out danger. He compliments this with great positioning. - He is, finally, very aware of his own strengths and weaknesses, and therefore strives to play every match with maximum concentration -Consistently wins his one against one challenges and passes quickly and accurately -Very good placement on the field -Strong in the air both on offense and defense</p>
